Dear John Allison Families,

### Next Year School Supplies for JAE:

To make the transition into the next school year easier for you, JAE has recently partnered with School Start to give parents the opportunity to order next year's school supplies online if they wish. We also understand that some parents may choose to purchase their child's school supplies on their own. You may use the list as a guideline to purchase supplies for next year.

### How School Start Works:

Place your order online at [www.schoolstart.ca](http://www.schoolstart.ca).

Select on the grade your student starts in September

Add to Cart and check out. You can add additional packs if you have more students to purchase for.

These packs will be delivered to your home (NOT THE SCHOOL) and will arrive shortly after you order them. The packs also can be ordered throughout the summer and year-round.

No matter how you choose to purchase your child's school supplies, please note that every student will also need **to bring a labeled water bottle and indoor non-marking shoes.**

### Need Clothing and Shoe Labels?

[www.mabelslabels.ca](http://www.mabelslabels.ca)

Our School partners with Mabel's Labels as a fundraiser all you need to do is search John Allison Elementary School in the “Support a Fundraiser” tab and shop for what you need!

If you have questions or are needing student affordability support, please call the school at 250-295-6727 or email [JAschool@365.sd58.bc.ca](mailto:JAschool@365.sd58.bc.ca)

Warm regards,

Katrina Wessel
